

## FOR OFFICIAL USE ONLY

U.S. Army Accident Information  
Class A Ground Accidents for 1 October 2015 to 3 December 2015  
Primary Accident Type is **PMV-2** and  
Vehicle Type is **Motorcycle**  
**CASES=4**

No	Case Number	Description
1	20151203001	Soldier reportedly was passing an 18-wheeled Semi that was slowing for a right-and turn at an intersection when he struck it broadside. Soldier was wearing PPE and licensed and trained but was pronounced dead at the scene.
2	20151112002	Soldier was operating his POM when he reportedly lost control on a left-hand turn and struck a guard rail. He was transported to the ER for treatment of head injuries. He was removed from life support two days later. 14 Soldier was wearing full PPE and had completed the MSF requirements,
3	20151029001	Soldier was attempting to pass another vehicle from the opposing lane when he apparently lost control and crashed into the guard rail. Soldier was wearing PPE and initial indications are that he was trained. Roads were reported damp and speed was presumably not a factor.
4	20151022002	Two Soldiers were involved in a collision on the interstate highway while riding motorcycles together. Both were wearing PPE and were currently trained but one Soldier was fatally injured as a result.
